OBJECTIVE

Full Stack Developer with hands-on experience building responsive web applications using Vue.js, React.js, Next.js, and Node.js. Skilled in developing RESTful APIs, authentication systems, and scalable backend functionality with MongoDB. Experienced in modern frontend frameworks, database management, and full-stack development workflows.

SKILLS

Languages: JavaScript, TypeScript, Python

Backend & APIs: Node.js, RESTful APIs, JWT Authentication, Webhooks

Software & Tools: Visual Studio, AWS, GitHub, MS Office

Frameworks: React.js, Next.js, Vue.js, Nuxt.js, Tailwind CSS

Databases: MySQL, MongoDB

EXPERIENCE

AlphaDev Infotech

Ahmedabad, Gujarat

Full Stack Developer

Oct 2025 - Present

- Designed and implemented a SQLite-based database layer using Python dataclasses and context-managed connections to manage structured records, building core CRUD functionality for real-time data creation and retrieval.
- Optimized database queries and backend services, improving application responsiveness and scalability.
- Debugged and resolved backend issues related to data handling and API responses, improving overall application reliability.
- Collaborated on requirement analysis and backend feature development within an Agile workflow, delivering code reviews and testing for database-related modules.

Desai Technology

Chikhli, Gujarat

Full Stack Developer

Oct 2024 - Jun 2025

- Developed a Trust Management Web Application to digitize donations, scholarships, matrimonial services, demise records, and hall booking operations.
- Built responsive and reusable user interface components using Vue.js, Nuxt.js, and Tailwind CSS, including dashboards, forms, and data tables.
- Designed and implemented RESTful APIs using Fastify (Node.js) and MongoDB, with JWT-based authentication and role-based access control.
- Integrated the Razorpay payment gateway and WhatsApp BSP API to enable secure online transactions and real-time user notifications.

AlphaDev Infotech

Ahmedabad, Gujarat

Web Development Intern

Dec 2023 - Jun 2024

- Built and optimized web applications using React.js, Next.js, Node.js, and JavaScript to improve responsiveness and usability.
- Designed responsive user interfaces using CSS and Tailwind CSS, enhancing accessibility and cross-platform compatibility.
- Collaborated with cross-functional teams to integrate frontend and backend components for seamless application functionality.
- Implemented RESTful APIs and database queries to improve scalability, API performance, and overall user experience.

Technoheaven Consultancy Pvt. Ltd

Bilimora, Gujarat

Web Developer Intern

Jun 2023 - Dec 2023

- Contributed to web application development using ASP.NET (C#), HTML, CSS, SQL, and Web API.
- Developed authentication modules, including user registration and login systems.
- Assisted with frontend development, API integration, debugging, and database-related tasks.

EDUCATION

Uka Tarsadia University, Bardoli, Gujarat

2021-2025

Bachelor of Technology in Computer Science & Engineering | CGPA: 7.58/10
